Re: Tennessee Coalition of Rural Incumbent Telephone Companies and Cooperatives
Request for Suspension of Wireline to Wireless Number Portability Obligations
Pursuant to Section 251(f)(2) of the Communications Act of 1934, as Amended

Docket No. 03-00633

Dear Hearing Officer Collier:

Counsel for SprintCom, Inc. d/b/a Sprint PCS ("Sprint") has contacted counsel for the Tennessee Coalition of Rural Incumbent Telephone Companies and Cooperatives ("Coalition") concerning the Coalition's First Set of Discovery Requests to Sprint filed on June 10, 2004. Under the procedural schedule, Sprint is required to respond to the Coalition's discovery requests by June 14, 2004. At this point, Sprint can only provide responses to two of the Coalition's requests. As a result, counsel has discussed this situation with counsel for the Coalition.

The parties have agreed that Sprint will file its supplemental responses with the Authority and the parties in the above-referenced matter on June 16, 2004. As a result of Sprint's delay in responding, the Coalition has requested, and Sprint has agreed, that the Coalition should file its rebuttal to Sprint's direct testimony by June 22, 2004. The parties respectfully ask that the Hearing Officer grant this request.

Should you have any questions with respect to this matter, please do not hesitate to contact me at the number shown above. Thank you for your assistance with this matter.

Sincerely yours,

A handwritten signature in cursive script that reads "Edward Phillips".
